USEFUL WEBLINKS

www.iie.org - IIE's main searchable website

www.iiesf.org - IIE West Coast website

<http://www.iiepassport.org/>

IIE Passport offers a comprehensive search for study abroad programs. You can search for these international education opportunities by country, language, subject and many other criteria. After conducting a search, you will receive a list of study abroad programs that match your needs specifically as well as a list of other education abroad programs in which you may be interested. Good Luck!

<http://opendoors.iienetwork.org/>

Open Doors is the only comprehensive and accurate information resource on the international students in the United States, from over 200 homelands. The book provides 96 pages of data on national origin, sources of financial support, fields of study, host institutions, academic level, and rates of growth of the international student population in the United States, as well as the economic impact of foreign students to the host state and national economies. Open Doors makes extensive use of graphics to highlight key facts and trends. Also included in the publication are: sections on Foreign Scholars in the U.S., Intensive English Programs, and U.S. study abroad.

<http://www.iienetwork.org>

IIE Network is the world's first truly global professional association for international education policy makers, administrators, and researchers. We provide international education professionals with expert analytical information and research, and a forum for discussion, interaction, and networking.
